Buy Your Mom a Mother's Day Corsage and Support Local Moms in Need!

The Life Centers of Ventura County is a non-profit organization that has been assisting young women facing unplanned pregnancies in our local community for over 30 years. This Mother's Day, Sunday, May 10th, The Life Centers will be raising funds to assist local women, with their Annual Corsage Sale.

Beautiful, locally grown orchid corsages are the perfect way to tell all the special mothers in your life that you appreciate them. And they will be even prouder knowing that proceeds from your gift go to assist other mothers who are less fortunate than they are. Life Centers' corsages are the perfect gift: give to your mother ***and*** give back to the community at the same time!
